

## Mrs Wordsmith (Vocab work)

We thought some of you would be missing our Mrs. Wordsmith work, so each week we will tell you the two words that we would like you to explore.

This week's words are: flabby overcast

1. As we do in class, please **find out the meaning of each word** (use a dictionary, if you are not sure or talk with an adult or older sibling).
2. Try to **find word pairs** which go before or after each word  
e.g. flabby arms

overcast weather

3. Then, try to **write sentences including each word pair**.

e.g. It was a very overcast morning

**Challenge:** Try to write sentences including some of the conjunctions we have looked at in school: *but, so, because, however, despite or although*

*e.g. It was a very overcast morning, however the children still wanted to have a picnic.*

### Ideas for extra activities

- Write a weather report using the word 'overcast'.
- Make a poster to accompany your weather report including a map of the UK and label which areas of the country are 'overcast'.
