

## Writing

As a conclusion to our topic on **Cracking eggs**, we would like the children to demonstrate their knowledge on chicks and eggs.

Your child could:

- Create a mind map, writing down different egg related facts around the title 'eggs'.
- Make your own mini information book about eggs. Remember to include a title, sub headings, information, diagrams and pictures. You could do this on paper and /or you could use **purple mash** – *English - information texts - eggs – create a leaflet explaining how we get our eggs.*

### Grammar – purple mash activities

- Practise forming nouns, adverbs and adjectives by adding suffixes.

#### *About a wolf*

- Complete the adverbs quiz.

#### *Adverbs quiz*

## Spelling

Practise the common exception (tricky) words using the spooky spellings game.
