

## St. Matthew's School Governing Body, 2016-2017

In this document, you can see a list of our school governors and their areas of responsibility.

The document also shows information about each governor's attendance at meetings, their business and pecuniary interests, connections they may have with the governance of other schools or education establishments and any relationships they may have with members of school staff. It is statutory for all schools to publish this information about their governors.

All governors can be contacted via the school office. Please remember that the governors' role is about the strategic development of the school and holding the school to account for its performance. The responsibility for the day to day running of the school is with the school staff. If you have a concern, the first person to talk to should be your child's class teacher and then, if needed, the Assistant Head Teacher for your child's year and then the Head Teacher.

Name	Status	Specific Link Governor Responsibilities	Attendance at Full Governing Body Meetings in the 2015-2016 Academic Year	Member of the Following Committees	Attendance at Committee in 2015-2016 Academic Year	Date Term of Office Began	Term of Office	Declared Interests: <ul style="list-style-type: none"> <li>Pecuniary or business interests</li> <li>whether governor at another educational establishment</li> <li>material interests arising from relationships with other governors or school staff</li> </ul>
