Dear Colleague,

As you will have seen from our advert, St Matthew's is looking to recruit an excellent class teacher to join our team fantastic Reception team for the summer term. The position is a temporary post for the summer term only. The successful candidate would work for three days per week, Wednesday to Friday, starting on 17th April 2023 and finishing on 31st August 2023. It will be paid on the Main Pay Scale or Upper Pay Scale depending on the successful candidate's previous experience.

St. Matthew's is an exciting place to work. Situated in the centre of Cambridge, just off East Road near the Grafton Centre, we are a community primary school (not affiliated to any church, despite our name) serving a very diverse community with over 37 different languages spoken by the children. Our children achieve highly and make excellent progress in St Matthew's, but we know this is just one aspect of school life. One of our school aims is for St Matthew's to be "inspiring, challenging and fun", for the children and for the staff. We are all very proud of our strong, our inclusive ethos, the excellent pastoral care we offer and our sense of innovation and adventure. These characteristics are highly valued by our staff team, our children and our supportive parents. All staff are fully involved in shaping the journey of the school – contributing to our development plans, leading improvement on different aspects of our provision, developing their own and colleagues' practice. This has created a sense of ownership amongst staff over what we have achieved so far and what we plan to do to improve further.
