

St Matthew's School Newsletter 18th December 2015

What a Performance!

Our final Newsletter of 2015 is a celebration of the flourish of performances and activities we have enjoyed to finish off the year.

A huge thank you to the PTA for the fantastic Festive Frolic last week – a great event thoroughly enjoyed by everyone.

Our choirs have been very active, performing at the Festive Frolic, Mill Road Winter Fair (below), the Grafton Centre and Millcroft Court.

Last week also saw the wonderful Year Two Production of the Landlord's Cat. All that hard work paid off with a fantastic performance that was captured for posterity on film. Thank you once again to the PTA for organising the filming and the distribution of the DVDs.

We had the beautiful Nursery and Reception Concert on Wednesday...

And yesterday saw a slightly less polished performance of Cinderella by the Staff Panto Team. We think the children enjoyed it as much as the staff did.

You can see a gallery of pictures from the staff panto in our news pages on our website: www.stmatthews.cambs.sch.uk/website/news/

Maths Week

Maths week will be coming to St Matthew's in January from 11th to 15th January. Children will be engaged in a range of mathematical activities, solving problems and some of the older children will be running maths workshops for the younger children. There will also be a mathematical photo competition – more details in January.

eSafety

We have just added a new eSafety page to our website at www.stmatthews.cambs.sch.uk/website/esafety/. Please check it out for valuable advice for keeping your children safe online.

And finally...

Today is of course the last day of school before the Christmas holidays. We hope you have an enjoyable break and we look forward to seeing you on the first day back at school on Tuesday 5th January. And don't forget Meet the Head on Friday 8th January.
