Families Information Service

Would you like to find out more about different childcare options available in Cambridgeshire, and the help available with funding?

Our **Families Information Service** provides a one-stop shop for information and advice on all things childcare.

We can help with:

- **finding childcare**
- **understanding childcare funding options**
- **childcare for children with special educational needs and disabilities (SEND) and the SEND Local Offer**

Scan the QR code to visit our website for more childcare and early education information.

Contact the Cambridgeshire Families Information Service for further advice and guidance.
